

MALTBY MAIN JUNIORS FOOTBALL CLUB

COSTS POLICY – 2026/27 SEASON

Maltby Main Juniors Football Club (MMJFC) is proud to provide high-quality football training and development at an affordable cost. We are committed to making grassroots football accessible to all children in our community. The club is run entirely by volunteers, who generously give their time to support the growth and development of local players. All managers and coaches volunteer their time without pay.

For the 2026/27 season, our player subscription cost is £200 per player. This includes:

- A £20 non refundable registration fee payable in August.
- £30 per month from September through to November and February through to April (6 payments).

We also offer a 25% sibling discount for families with more than one child playing for MMJFC.

Subscription fees contribute to the following essential club expenses:

- Club affiliation with the league.
- Individual player league registration fees.
- Team administration and communication tools.
- Player insurance.
- Pitch hire for training and match days both on Grass and AstroTurf (new for 26/27).
- Training equipment and match day equipment.
- Winter training facilities (many clubs charge extra for this).
- End of season trophies for all players.
- Ongoing coach development and safeguarding compliance.

To help keep costs affordable for all families, every team is expected to raise referee fees for home games through match day fundraising initiatives.

This ensures shared responsibility and helps maintain our low cost structure across the club.
